Examples of Support from CLA in English Lessons

Mode	Activities	Support from CLA
Whole Class	Lecturing	<ol style="list-style-type: none"> 1. Listen very attentively (a good role model for students) 2. Attend to what is taught and think of the learning outcome of this lesson (This decides what support you need to give) 3. Answer questions to help students keep up with the teaching pace (CLA can suggest teacher to repeat/further explain something if many students ask the same question)
Individual Work	Drilling	<ol style="list-style-type: none"> 1. Check whether students do drills correctly 2. Scaffolding: Hint or Explain or Demonstrate 3. Additionally support students with language needs/ with low motivations <ul style="list-style-type: none"> - Scope down the reading/ Explain keywords/ Ask questions to check their understanding/ Doing while chatting 4. Act as a role model and demonstrate the learning outcome (to show that students can also do it if they focus on the lesson) <p>Dictation revision – Sit down with the student and spell the word together</p> <p>Grammar exercise – Hint/Explain (shared tasks with the subject teacher)</p> <p>Listening practice – Hint on spelling (remind them of the correlation between the pronunciation and its spelling)</p> <p>Reading comprehension – Analyze the question together/scope down/</p>
